

School of Chemistry Equality, Diversity and Inclusion Update January - 2022

The Equality, Diversity and Inclusion (EDI) committee in our School is committed to providing an environment where everyone can thrive with equal opportunities and equal expectations for individuals, regardless of their gender identity or expression, race, culture, sexual identity or any other attribute.

Welcome Back to Semester 2!

We would also like to take this opportunity to wish a warm welcome to all our staff and students. We hope that you all have a great semester 2.

IUPAC Global Women's Breakfast 2022 - Empowering Diversity in Science 16 February 2022 09:15-10:30

The IUPAC Global Women's Breakfast #GWB2022 will be held on 16 February 2022, close to the United Nations Day of Women and Girls in Science. On this occasion, The Royal Society of Chemistry Inclusion and Diversity team will be hosting an event for the 2022 IUPAC Global Women's Breakfast. The event will be held virtually via Zoom and will include a 'Women in Chemical Sciences Careers' panel discussion. Registration is free and open to all but places are limited. You can register [here](#) and the event agenda is available [here](#).

Other GWB 2022 Events

Find all other GWB 2022 events in the UK and Ireland, or worldwide, at:
<https://iupac.org/gwb/2022/>

Trinity Postgraduate Virtual Open Evening

17 February 2022 5pm-7pm

Trinity would like to invite all our postgraduate students to the Postgraduate Virtual Open Evening on Thursday 17th of February from 5pm-7pm GMT. Visit <https://www.tcd.ie/study/postgraduate/hello/> to register and find out more.

TBSI Postdoc Society's Career Day

25th March 2022 9:30 – 14:00

Save the date!

The Trinity Biomedical Sciences Institute (TBSI) Postdoc society is organising a career day for postdocs. This event will take place online. Registration is free for everyone. Follow the www.tbsipostdocsociety.com/events page for more updates on this event.

We are also looking for a Chemistry representee for TBSI Postdoc Society so please let us know if you are interested.

Current Activity

Athena Swan Application: The EDI committee is gearing up to make its next Athena Swan application early in 2023. We have established writing teams to look at the different parts of the application. We will also be running a new survey this semester to collect information about the effectiveness of our previous actions and to identify future actions in the EDI space. If you have any comments, issues you think we should be addressing or suggestions of actions, we would love to hear from you. Please email edi-chem@tcd.ie.

Equality and Diversity Website: We are currently creating an EDI page on the School of Chemistry website <https://chemistry.tcd.ie/equality-diversity/>. On this site we will post information, updates on activities and developments such as the policies we are developing.

If you have any comments, questions or suggestions please email edi-chem@tcd.ie
